LinkedIn Headline Guide

CORE IDEA

An execution guide for linkedin headline guide aimed at remote and US-linked software roles.

Framework

- [ ] Translate scope into globally legible evidence
- [ ] Use standard ATS-safe headings and plain structure
- [ ] Prioritize outcomes, scale, and ownership
- [ ] Align keywords to truthful experience
- [ ] Remove claims that cannot be defended in an interview

Evidence-first examples

Bullet patterns

+ Built [system] for [scope], improving [metric] from [baseline] to [result].
+ Owned [decision] across [teams/regions], choosing [tradeoff] because [evidence].
+ Reduced [cost/latency/incidents] by [bounded result] through [specific change].

Final checks

+ Plain ATS-safe structure
+ Truthful keywords
+ Concrete scope
+ Defensible metrics
+ No unexplained acronyms

PUBLISHING STATUS

REVIEW GATE: EDITORIAL REVIEW. AI-produced draft. A named human must verify technical accuracy, sourcing, freshness, and editorial quality before publication. Reviewed-through date: 2026-07-18.
